

Proof of Vaccination & Health Form

Submit with Health Certificate and Negative Coggins Form—2 weeks prior to Arrival

KHP follow Kentucky Department of Agriculture requirements for show horses which is a negative Coggins Test dated within **12 months** of competition. If the horse is from the state of Kentucky, a health certificate must be dated within **12 months**. If a horse is from out-of-state, a health certificate must be dated within **30 days** of competition. The Proof of Vaccination Form should be completed for each horse and returned **along with** copies of negative coggins and health certificate.

Send to: Johanna Moore at johanna.moore@rxglobal.com *Forms required 2 week prior to arrival
